Patrons of the Mt. Adams School District:

The Mt. Adams School District is providing our Annual Notification that our district will be providing a Highly Capable program for students district wide. (K-12) In accordance with WAC 392-170-042 we will notify the parents and students of our community before any identification process begins. We will use our district website and a variety of written formats to notify our community. Highly Capable nominations can come from a variety of sources including staff, parents, and members of the community.
