Showghetti

Who’s Hungry?

Thanks to the tireless work of Mr. Clinton and Mr. Urquhart, White Swan High School hosted its first “Showghetti”, a showcase of student talents coupled with a free spaghetti dinner to all participants. At the showcase, students performed improv skits, sang, and performed drum solos. Dinner was cooked by Mr. Castilleja (MS/HS Principal), Mrs. Leslie (MS/HS Vice Principal), and Mr. Olden (Instructional Coach). The kitchen experienced minor damage from a food-related flood, so a special shout-out goes out to our custodial and kitchen staff for their help in dealing with the mess. Despite this setback, fun was had by all! Stay tuned for future student showcases. The next Showghetti will be Wednesday, December 10th at 6:30 pm.
Middle School Awards Assembly

On Friday, November 7th, an assembly was held to celebrate successes from first quarter. Students received awards for a variety of reasons: Honor Roll, sports, attendance, most improved, to name a few. Congratulations Middle School Students!

State Volleyball

The WSHS Varsity Volleyball team finished their season with an overall record of 18 wins and 3 losses. This included a perfect 10-0 league record, a league championship, and the school’s first district championship in twenty years. The team capped off their third consecutive trip to State by earning sixth place at the state tournament - White Swan Volleyball’s first state tournament trophy EVER! This is the first time in WSHS history that a league, district, and state trophy has been earned in a single year by one team. Members of the team included: Cayla Jones, Marisa Spencer, Marisol Romero, Nocona Abrams, Emily Botkin, Ashley Anderson, Tionna Tillequots, TMesh Mills, Barbara Whitesell, Shiala Wolfsberger, Vanessa Jones, Lora Anderson, Beth Ramsey (manager), Coaches Marcy Sanchez and Cami Farman.

More Chromebooks on Campus

Mount Adams Middle School and White Swan High School have recently purchased 85 new Chromebooks and two new charging carts. In the last two weeks both of these carts have been stocked with a class set of computers and made available for use by both middle school and high school students. This new computers will provide students with opportunities develop crucial 21st century digital literacy skills.

Mount Adams School District believes there are big things in store for our students when it comes to technology. Planning for this success is part of the culture at our school!

Thank you for attending Fall Student-Led Conferences

Student-led conferences were held November 17-21. Parents were overwhelmingly positive about the experience based on their reflections on a rubric. Each student shared his or her personal mission statement, high school and beyond plan, and student learning plan. Parents were given a letter that showed their student’s progress toward graduation, including number of credits earned so far and state tests passed. Thank you for taking the time to partner with teachers to support students. Your involvement is noticed not only by our staff, but by our students.
Volunteer… Our kids need you!

Being a student in a small town comes with a lot of advantages. In fact, small schools are known for achieving big things. This is due in large part to the big hearts of our community members.

Our staff, students, and administrators recognize that one of our best assets is the talent and commitment of our community members. For this reason we want to put out an invitation!

Do you have a talent you would like to share? Maybe you are a musician or dancer with a performance to give, or maybe you have a profession that would be of interest to our kids. It is important that we remember that kids become inspired and motivated by positive experiences, and it is you, the community members that have the most to offer our kids in this area.

Please, if you have a talent, story, or experience to share, come forward and volunteer. Your community and children will be delighted to have you!

How to Volunteer

Contact the school office with your idea, and we will guide the process from there!
